

**Profile (as it will appear in the election materials)**

**PEIRCE, Graeme**

PEIRCE, Graeme is eligible to stand for election as a resident of the Shire of West Arthur.

Small business owner and farmer in Moodiarrup.

Born, raised and schooled in West Arthur.

Throughout my previous careers I have prided myself on making, maintaining and building relationships to harbour a positive team and outcomes. The ability to ensure thoroughness in research and planning to make informed decisions has been a focus for me.

I believe the ongoing management of the environment, preservation of the communities cultural and physical history along with ensuring it's vibrancy for the future is very important. Strong planning and direction at council level along with progressive and forward thinking is important to ensure The Shire of West Arthur is kept an attractive place to live and work.

I am keen to harbour new ideas, be supportive of council and deliver sound representation of the Shires constituents in all matters effecting them at council level. I have enjoyed my past 4 years as a Councillor and excited to continue in the role if elected.
